**NEW for 2017...All umpires must register online at: [www.RegisterUSASoftball.com](http://www.RegisterUSASoftball.com)**  
**If you were registered in 2016, you have a user name, password, and member ID number. DO NOT CREATE a new profile. If you have any questions, please email [dmtroshak@yahoo.com](mailto:dmtroshak@yahoo.com). If you are a new umpire, you will need to create a profile and follow the steps for registration. Once you register online, you will be able to input information to start a background check immediately – ALL umpires must have an annual background check.**

Registration includes USA Softball affiliation, liability insurance, rulebook, bat ring, background check, an instruction in our educational program. Participation in an umpire school or seminar is a requirement for Softball tournament assignments. All sessions provide instruction in rules and game management. Schools also present drills to develop plate and base umpire skills.
